The Center for Excellence in Teaching and Learning and e-Learning and Instructional Support present

Tech Basics for Faculty

Located at e-LIS in 430R Kresge Library

Join this hands-on, zero-intimidation opportunity to work at your own pace with tech tools that could make everything you do easier for you and your students.

Moodle Grade Book

Monday, October 12 1-3 p.m.

Learn what this feature is capable of in your course, from weights and scales to feedback for students.

Google Forms

Monday, October 19 1-3 p.m.

This survey builder is available in an application built into your OU email account. Explore its capabilities for student feedback, learning activities, and research.

Digital Organization: Part 1

Wednesday, October 21 1-3 p.m.

Tame the email inbox, organize documents in a fool-proof system, and access your files anywhere.
