Models for Faculty Mentoring

Facilitated by Kathleen Moore and WISE@OU
Thursday, January 28, 2016

- Models for mentoring will be explored.
- Examples of mentoring across campus.
- What could mentoring look like in your department?

Work-Life Balance: Managing Your Service Commitments

Facilitated by WISE@OU
Thursday, April 7, 2016

- What is your role in service at OU?
- Knowing when to say "yes" and when to say "no."
- Importance of chair leadership in equitable distribution of service responsibilities.

About WISE@OU: The Women in Science & Engineering Program (WISE@OU) is a grant-funded program focused on the recruitment, retention, and career development of women and under-represented populations in the disciplines of science, technology, engineering and math (STEM). WISE@OU is supported by an NSF ADVANCE PAID Grant. For information about this program visit oakland.edu/advance
