

Paula Lauren

Ph.D. in Computer Science and Informatics

Why did you apply for graduate school?

I had decided to go to graduate school because I was interested in learning how to do scholarly research and transition to a new career in academia.

Why did you decide to go to OU?

I chose OU because of its geographic location and computer science program.

What is your favorite part of being an OU graduate student?

My favorite part of being an OU graduate student, learning from top-notch professors in my program.
