

**Oakland University Doctoral of Physical Therapy Suggested Pre-requisites**  
**This form is not all inclusive; there may be other courses that meet pre-requisite requirements**  
**All pre-requisite courses must have at least a 2.5 grade**

Prerequisites do not need to be completed before applying to the program. Plans for completing the prerequisites should be outlined in the PTCAS application. All required prerequisite courses must be completed with a 2.5 (B minus) or better. Transcripts will be reviewed to verify the grades.

**DPT Informational Meetings:** Please come to a presentation to discover more about the DPT program at Oakland University. You will learn details about the DPT program, curriculum, faculty, facilities and the admissions process which will help you to decide whether Oakland University is the right DPT program for you. The schedule of presentations may be found on the OU DPT web page <http://wwwp.oakland.edu/shs/physical-therapy/doctoral-degrees/>.

\*Note\* - For applicants applying for entry to the program in Fall of 2019 (2018-2019 application cycle), applicants must have received a grade of 2.7 (B minus) or better in all required prerequisite courses.

OU Graduate Application: Please note that applicants for the DPT program do not need to complete an Oakland University Graduate Application to be considered for admission. There is no supplemental application required.
