Students with an interest in filmmaking or screenwriting are encouraged to take CIN165 or ENG217 in the sophomore year so that they have time and space in their schedule to take the more advanced production or screenwriting classes in their junior and senior years. A cumulative GPA of 2.0 is required as well as 2.0 minimum grade in all major courses. The term "elective" may not be completely "free" in that this table does not address the university requirements of G.E. Integration or 32 credits at the 300/400 level.
