Communication B.A. Major in FOUR Academic Years (2015)

This is a breakdown of how a student, knowing they wanted to be a Communication major upon entering OU, could complete the General Education, CAS Exploratory and major requirements within a 4-year period of time. This plan is an example only and not a guarantee of course offerings.

*The below plan is based on ACT of 16-27 English or AP/IB/CLEP equivalents.*

Note: *Students who take COM 308, must repeat it for 4 credits total. Students may elect to complete one year of a foreign language instead of sign language (COM 114 and 115). If so, they would complete two COM electives instead of two Electives in their fourth year. If the foreign language option is selected, they would also replace one G.E. Category with an Elective. The term “elective” may not be completely “free” in that this table does not address the university requirements of G.E. Integration or 32 credits at the 300/400 level.*
