2200 North Squirrel Road
Rochester, MI  48309-4401
TRANSFER STUDENT ORIENTATION

The transition to a new university can be a complicated process even for students who have been in college for some time. Our goal is to offer an orientation program that will assist in making the transition to Oakland University as smooth and welcoming as possible. And, best of all, the orientation fee is included in your tuition!

Oakland’s Transfer Student Orientation is divided into two components:

PART ONE: ONLINE
The online orientation takes approximately 30 minutes to complete and addresses the following questions:

- Who is my academic adviser?
- How will I know which of my credits have transferred?
- How do I register for classes?
- How do I find out about financial aid?
- How much is tuition and how do I pay it?

PART TWO: ON CAMPUS
During Part Two, students will have the opportunity to meet with an academic adviser, create a plan of study and register for classes.

Please note: All transfer students are required to complete both components of the orientation program.

GET STARTED NOW
1. Visit oakland.edu/tso
   - Activate your MySAIL and NetID accounts.
   - Access Part One of the Transfer Student Orientation by clicking "Click Here to Begin" and logging in with your NetID username and password.
2. Upon completion of Part One, you will be directed to register for Part Two. You will need your Grizzly ID number (found in your acceptance letter) and/or the TSO access code (available upon completion of Part One) in order to sign up for Part Two.
3. Visit oakland.edu/transferguide to review the Orientation Guide prior to attending Part Two. This guide provides information about parking, check-in, placement testing, the guest policy and a list of what to bring.
4. Attend Part Two to meet with your academic adviser and register for classes.

QUESTIONS?
If you have questions about orientation, contact us!

Orientation and New Student Programs
