POST-BACCALAUREATE STUDENT ENROLLMENT GUIDE

STEP 1 ACTIVATE IMPORTANT ACCOUNTS
Visit oakland.edu/activate for instructions on activating your official Oakland email and MySAIL (student portal) accounts. You will need your Grizzly ID number and Net ID from your acceptance letter. You should set up both accounts immediately and begin checking them regularly.

STEP 2 REGISTER FOR CLASSES
Through the MySAIL system, you can register for classes online.

1. Open a Web browser and visit the Registrar’s website at oakland.edu/registrar.
2. Click the “Register for classes” button and review the registration instructions.
3. When you are ready to register for classes, log in to mysail.oakland.edu or click on MySAIL in the upper right corner of any OU web page (above the search box).

If you receive an error message while registering for a course, please contact the academic department offering the course. You can view a list of departments online at oakland.edu/academics. Some courses may require specific prerequisites; a member of the department staff can verify that you meet the prerequisite and allow you to register.

ADDING A CLASS
Students may use MySAIL to register and add courses without faculty permission through the first week of classes. Students who wish to add or register for classes during the second week of late registration need to obtain approval from the instructor or department offering the course. If approved, the instructor or department will enter a registration permit override in MySAIL, and the student may register for the course on MySAIL. A hard copy signed form will also be accepted. Note: If you are unable to reach an instructor, contact the academic department.

DROPPING A CLASS
Students may drop a course via MySAIL, fax, in person or by mail at any time for a given semester until the drop deadline date. If dropping a course by mail or fax, include your name, student signature, Grizzly ID number, course number and semester and mail to the Registrar’s Office, or fax to (248) 370-3461.

WITHDRAWAL
Students wishing to withdraw from all their courses must officially withdraw for the semester. Simply notifying faculty or ceasing to attend classes does not relieve students of financial obligations. Students who do not officially withdraw within the drop/withdrawal time period will receive failing grades for registered courses. Withdrawals can be processed via MySAIL, in person, by fax or mail. Withdrawal forms are available at oakland.edu/registrar.

STEP 3 PICK UP YOUR GRIZZCARD
ID CARD OFFICE I (248) 370-2291 I 112 Oakland Center I oakland.edu/grizzcard

To get your GrizzCard, which gives you access to student resources across campus, you must first register for classes. You can get your GrizzCard at OU’s ID Card Office. Bring a picture ID to the office in order to get your GrizzCard.
STEP 4  FINANCIAL ASSISTANCE AND BILL PAYMENT

Visit the Student Financial Services website at oakland.edu/financialaid to read important information on tuition; billing cycles and due dates; payment options and instructions; and tutorials for OU’s electronic billing system, eBill.

Oakland will send an email to your OU email account when your eBill is ready to be viewed and paid online. You will need your Grizzly ID and PIN to access the eBill system. The eBill home page provides a brief overview of your current account status, recent and past billing statements, recent activity on your student account and available payment plans. For more information, visit oakland.edu/ebill.

For current tuition rates, visit oakland.edu/tuition. Post baccalaureate students pay upper division (junior/senior) tuition rates. Post Baccalaureate students are not usually eligible for federal, state or OU financial assistance. However, students admitted for teacher certification and for preparatory coursework might qualify for federal financial assistance. We recommend completing the FAFSA as soon as possible beginning January 1. Include OU’s federal school code of 002307.
