The Transfer Experience at Oakland University
Ongoing Transfer Initiatives

Tricia Westergaard
Senior Associate Registrar
Transfer Practices

• Course work previously completed with a 2.0 (C-) or equivalent grade will be evaluated.
  – Various programs may require a higher course grade to satisfy degree requirements
Students meeting either the MTA or MACRAO agreement will satisfy OU’s General Education requirements with the following exceptions:

- Writing intensive course in the major
- Capstone course
- Knowledge application course (if an acceptable course has not been transferred)
MACRAO or MTA EXAMPLE

Transfer Student Majoring in Communication:
• Writing intensive course fulfilled by COM 495
• Capstone course fulfilled by COM 495
• Transfer or select a Knowledge Applications course
Michigan Transfer Agreement

- WRT 160 is a pre-requisite for all “Writing Intensive in the Major” courses, and therefore students at CC who plan to transfer to OU should take the WRT 160 equivalent at the CC
Oakland University participates in the Michigan Transfer Agreement (MTA), which means most of the general education courses you already took at a Michigan community college will satisfy these OU general education requirements.

**GENERAL EDUCATION**

- Writing Foundations
- Foreign Language and Culture Exploration
- Social Science Exploration
- Formal Reasoning
- Global Perspective Exploration
- Western Civilization Exploration
- Arts Exploration
- Literature Exploration
- U.S. Diversity
- Natural Science and Technology Exploration

You’ll only need to complete these general education requirements upon transferring to OU.

- Knowledge Applications:
  - Either transfer this course or take at OU

- Capstone:
  - Take at OU (satisfied by most majors)

- Writing Intensive in Major:
  - Take at OU (satisfied by most majors)

Michigan Community College Equivalency Information

Course equivalences may be accessed in the following ways:

Type the direct link into your web browser
oakland.edu/transfers

Visit the Michigan Transfer Network site
michigantransfernetwork.org
The Transfer Credit Evaluator (TCE) contains course equivalency information for community colleges and four year institutions. Courses must be completed with a minimum grade of 2.0 or equivalent to be transferrable. The course equivalency information listed in the evaluator is subject to change.

Select the transfer institution from the drop down box. Once you have selected the institution, you can search by course subject or general education category. View our transfer credit evaluator tips for more information on how to navigate the tool below.

Please note: The OU course equivalencies available here are intended for reference purposes. Oakland University course equivalencies are subject to change. The inclusion or exclusion of courses does not guarantee applicability of transfer courses to a degree program.

Select Institution:
Select Course:
Select General Education Category:
Look up current transfer equivalencies for an Oakland University major or program. Select the college and then the program to download a program guide. Based on current transfer equivalencies and current program requirements, the guide provides suggested courses to take at the community college if you plan to transfer into this program at Oakland. Consult with counselors at the community college or academic advisers at OU when planning a transfer program.

## GENERAL EDUCATION REQUIREMENTS

Students must complete 40 credits of general education, excluding U.S. Diversity, Capstone and Writing Intensive in the Major. Each category must be fulfilled by completing one course of at least 3 or more credits. Courses used to meet Writing, Formal Reasoning, Arts, Foreign Language and Culture, Global Perspective, Literature, Natural Science and Technology, Social Science, Western Civilization, and Knowledge Applications may not be double counted with each other. U.S. Diversity, Writing Intensive in General Education, Writing Intensive in the Major, and a Capstone may be met by double counting approved general education courses. Please see the Oakland University catalog for further information.

Transfer Equivalency Worksheet How-to

HOW TO READ YOUR TRANSFER EQUIVALENCY WORKSHEET

GENERAL INFORMATION
Your Transfer Equivalency Worksheet (TEW) is broken into two columns. The left column (Transfer Courses) lists the courses you took at another institution that we consider to be equivalent. The right column (OU Institution Equivalents) gives information on how these courses may be applied at OU. Remember, these are broad guidelines for our transfer practices. Your OU academic advisor can explain your individual TEW in more detail.

YOUR TRANSFER CREDITS
Terms you may see under Subject (SUBJ) in the Institution Equivalent column:
- A 'WRL' means that you can use this course as a three-credit elective. It will count toward your overall credit total at OU, and generally meet non-language major requirements. These credits are included in your 'earned hours' at the bottom of the TEW.
- A subject abbreviation (like PSY for psychology or MTH for mathematics) means that you have earned credit in that subject area.

Terms you may see under Course (CRSN) in the Institutional Equivalent column:
- A 'X' means OU does not have an equivalent course, but it counts toward your earned hours. For example, 'X' means that OU does not have an equivalent course, but it counts toward your earned hours.
- A '3' (like 150 or 225) means that OU has an equivalent course.

At the bottom of each page under Earned Institution Hours, you'll see the total credits accepted from that school. If you attended a school on a quarter calendar, your credit hours will have been converted to semester hours. The total credits awarded for all schools will determine your class standing when you enter OU:
- Freshman: 0-39 credits
- Sophomore: 40-59 credits
- Junior: 60-99 credits
- Senior: 100+ credits

COMMON NOTATIONS
- Max attempt: If you are an incoming community college student, you may transfer up to half of the minimum credits required for your intended degree. The 'maximum attempt' under 'TEN x/ x' may be less than your 'earned hours.' This notation is for internal use only.

- No answer: If your TEW says 'No answer,' you may also enter one or more courses listed with 'No answer.' This notation is for internal use only.

- MArch Agreement satisfied: You have met most of the minimum University general education requirements. Your academic advisor will assist you in scheduling the remaining requirements.

- No answer: If the answer is 'No answer,' enter the course.' No answer: If you see this notation on your transcript, you will not receive a TEW. This institution you attended does not meet OU requirements for transfer credit.

QUESTIONS ABOUT YOUR TRANSFER EQUIVALENCY WORKSHEET?
CALL (513) 556-3457 OR (513) 556-4567 FOR ASSISTANCE.

### Advanced Placement Policies

Oakland University grants credit and/or appropriate course exemptions for scores of 3, 4 or 5 on advanced placement examinations. Some departments require evaluation of the exam booklet in order to determine whether and/or what credit or exemptions will be awarded for a specific exam.

The advanced placement policies of the individual departments are as follows:

Transfer Admission and Scholarships

Kelly Stumpmier
Admissions Adviser
Transfer Admission Criteria

The average transfer student for Fall 2014 had a 3.1 cumulative GPA.

Typically students with a 2.5 GPA or higher are admitted. All college transcripts must be submitted.
Transfer Admission Criteria

Students with less than 24 college credits must also provide official high school transcripts.
Transfer Admission Guarantee

oakland.edu/tag
Transfer Student Deadlines

December 1
For winter scholarship consideration

August 1
For fall scholarship consideration
Talented Transfer Award

$2,000 over two years ($1,000 per year)

Awarded to new, admitted transfer students for the Fall or Winter semesters with a college GPA of 3.0 – 3.59 and 24 or more transferable credits.
Distinguished Transfer Award

$3,000 for two years ($1,500 per year)

Awarded to new, admitted transfer students for the Fall or Winter semesters with a college GPA of 3.60 or greater and 24 or more transferable credits.
Tuition Rates

Lower Division students pay $353.75 per credit hour

Upper Division students pay $410.25 per credit hour

* 2014-2015 Academic Year
Housing Rates

Double Room Occupancy Rates for Fall and Winter Semester Combined is $8,895

* 2014-2015 Academic Year

Q&A
School of Education and Human Services

Laurie Shano
Academic Adviser
Elementary and Secondary Education
Elementary Education

Bachelor of Science in Elementary Education (K-5 all subjects, 6-8 in the teachable major/minor)

- Integrated Science (DI)
- Language Arts (BX) – *a great choice for students who want to teach lower elementary*
- Mathematics (EX) – *students who want to pursue OU’s graduate program in Special Education should pursue at least a double minor in Language Arts and Mathematics*
- French (FA) – *(6-8 only)*
- Spanish (FF) – *(6-8 only)*
- German (FB) – *(6-8 only)*
- Japanese (FL) – *(6-8 only)*
- Chinese (FR) – *(6-8 minor only)*
Elementary Education

Bachelor of Science in Elementary Education (K-5 all subjects, 6-8 in the teachable major/minor)

- Social Studies (RX)
- Dance (MH) — *(Minor only)* - students may only chose this in addition to the 1 Major or 2 Minors requirement
- English as a Second Language (NS) – students may only chose this in addition to the 1 Major or 2 Minors requirement
- Early Childhood Education (ZS) – students may only choose this in addition to the 1 Major or 2 Minors requirement – we recommend that they pair this with a Major in Language Arts
Secondary Teacher Education Program (STEP)

- Biology (DA)
- Chemistry (DC)
- Physics (DE)
- Integrated Science (DI) - (Only for Biology, Chemistry or Physics Majors; the most marketable choice for a student who wants to be a middle and/or high school science teacher)
- Mathematics (EX)
- English (BA)
- History (CC)
- Social Studies (RX) - (Only for History Majors; the most marketable choice for a student who wants to be a middle and/or high school history or social studies teacher)
Secondary Teacher Education Program (STEP)

- French (FA) - *(K-12 if chosen as a Major; 6-12 if chosen as a Minor)*
- Spanish (FF) - *(K-12 if chosen as a Major; 6-12 if chosen as a Minor)*
- German (FB) - *(K-12 if chosen as a Major; 6-12 if chosen as a Minor)*
- Chinese (Mandarin) (FR) - *(Minor Only)*
- Economics (CA) *(Minor Only)*
- Dance (MH) - *(Minor Only)*
- English as a Second Language (NS) - *(Minor Only; an excellent choice for students majoring in English, French, German, or Spanish)*
- Political Science (CD) - *(Minor Only)*
- Sociology (CF) - *(Minor Only)*
Secondary Teacher Education Program

• K-12 Art Education (LQ)
  Drawing
  Painting
  Photography
  New Media

• K-12 Music Education (JQ)
  Instrumental
  Choral
Elementary Education

• Now that school districts in Michigan must offer full-day kindergarten in order to receive full funding from the State, our Early Childhood program is becoming more and more popular.

• Students complete a practicum in the Lowery Center twice, in addition to field placements and student teaching in local school districts.
Criteria for Admission

Pre-major Standing:
  • Elementary Education - Admission to OU

Major Standing:
  • 2.80 cumulative GPA
  • 3.0 or currently enrolled in EED 312/313
  • 2.0 in STA 225
  • 70 hours working with children
  • Passed all 3 sections of the MTTC Professional Readiness Exam (or Basic Skills), or have ACT/MME scores that satisfy any of the sections
Availability for Major Program

The professional course sequence for the Bachelor of Science in Elementary Education and Master of Arts in Teaching with Elementary Education certification is available at OU Macomb County.

No professional education (i.e. pedagogy) coursework can be transferred in from any of the community colleges.
Notable Achievement

The only classroom experience that many students at other institutions have is student teaching. Here at OU, students have a field placement in a classroom every semester that they are enrolled in education coursework.
School of Education and Human Services

Main campus elementary education prospective students can contact the office for an appointment.

School of Business Administration

Debbie Lengyel
Director of Advising Services
School of Business Administration

- Accounting
- Actuarial Science (joint program with the CAS)
- Business Economics
- Economics BA (joint program with the CAS)
- Economics BS
- Finance
- General Management
- Human Resources Management
- Management Information Systems
- Marketing
- Operations Management
School of Business Administration

Two AACSB International Accreditations providing students with:

- Academic coursework held to the highest standards
- Undergraduate programs relevant to ever-changing business climate
- Qualified, distinguished faculty
- Low student to faculty ratios

Increased opportunities for internships, co-op, and networking to get hands-on, practical experience.
Criteria for Admission

Transfer Students

Pre-Business - Cumulative transfer GPA of 2.8 or above and math through intermediate algebra

Major Standing

Students must achieve a 2.0 in all pre-core classes and WRT 160. Overall GPA of 2.6 or above.
ACHIEVE Program

• ACHIEVE is a career and professional development program which teaches students important skills to be successful in the business world. It gives them a competitive edge in gaining employment in the job market.

• All incoming business students go through the ACHIEVE program.

• ACHIEVE consists of three (0 credit) courses. SBC 199 & 299 are required for major standing. SBC 399 is major-specific.
Points of Pride

- OU’s SBA is one of only 178 business schools – out of 13,000 worldwide – to hold the AACSB’s accreditation for its Business and Accounting programs.
  - It is also one of only 5 universities in Michigan to hold separate AACSB Accreditation in Accounting

- Experiential Learning opportunities:
  - Student Organizations
  - Internships
  - Scholars
  - Leadership Development
  - Entrepreneurial Engagement
  - Global Exchanges and Interactions
Points of Pride

• New this year:
  • Financial Analytics Lab featuring Bloomberg financial terminals. Offers students instant access to databases, financial news, company reports, economic statistics, industry research, and information from foreign exchange markets and more.

• Student Investment Fund
Business Day

Saturday, March 7, 2015
9 a.m. – Noon

School of Nursing

Patrina Carper
Academic Adviser

April Thomas-Powell
Academic Adviser
Bachelor of Science in Nursing

The School of Nursing offers instruction leading to the Bachelor of Science in Nursing (B.S.N.) degree. Graduates are eligible to take the NCLEX exam which is the State of Michigan registered nurse licensure examination.
Criteria for Admission to Traditional BSN

Pre-major standing:
Admission to OU as a transfer student

Major standing:
Completion of admission requirements
And separate application to SON.
Basic BSN Preference Status

Preference for full admission into the Basic track is given to students who take 5 or more prerequisites at OU.

Basic track is 3 years fall and winter semester. All Nursing courses must be taken at OU.
BSN - Accelerated Second Degree

- Students who have a bachelor’s degree in another discipline.
- Full time, 12-month program
- Admission is competitive and based on GPA in prerequisite courses.
- Courses are held at Anton Frankel Center and Main campus.
RN-BSN Degree

• Diploma and Associate Degree in Nursing graduates who are Registered Nurses have an opportunity to earn a Bachelor of Science in Nursing.

• All required nursing courses are offered online, with no requirement to travel to campus or other remote locations for classes.
Criteria for Admission to RN-BSN

• 2.5 GPA
• Valid RN License

Criteria for Admission

Pre-major standing

- Music, Theatre and Dance require an entrance audition.

Major standing

- Music, Theatre and Dance require an audition/interview for major standing.
- Biomedical Sciences requires completion of BIO 111 and CHM 144/147, with an average GPA of 3.5
- Social Work requires a minimum GPA of 2.80; a 28-credit pre-core set of courses in sociology, social work, biology, psychology and political science; experience in the human services field (employment or volunteer work including work completed for pre-core course SW 210); two letters of reference (one from a supervisor in a human services agency: and a personal written statement.
Criteria for Admission

Applicant Eligibility
Secondary Teacher Education Program (STEP)

• 2.8 minimum overall GPA
• SED 300 with a minimum of a 3.0
• Minimum of a 3.0 in WRT 160 (or an equivalent)
• Passing scores on each of the three Professional Readiness Exam components of the Michigan Test for Teacher Certification (MTTC)
• Completion of IST 397
• Minimum GPA of 3.0 in both liberal arts major and minor, with no single course below a 2.0
Points of Pride

• OU’s Cinema Studies students have helped produce Chrysler web commercials and vehicle instruction videos.

• OU’s Department of Political Science was selected from a national group of universities to be the three-year editorial home of the Pi Sigma Alpha Undergraduate Journal of Politics.

• For the third year running, OU’s student radio station received the College Station of the Year Award.
Points of Pride

• The Department of Music, Theatre and Dance has partnerships with the Detroit Symphony Orchestra, the Chamber Society of Detroit, Oakland Youth Orchestras, and Eipcenter Theatre Group.

• This fall, OU undergraduate students in biological sciences and physics will present their research at the Sigma Xi International Research Conference.

• Each summer, students in anthropology have the opportunity to participate in archaeological digs in Israel.
Points of Pride

• One of OU’s psychology professors works with undergraduate students behind the scenes at the Detroit Zoo investigating the cognition and behavior of gorillas, chimpanzees, and black bears.

• Students in OU’s Spanish Club tutor and mentor students in Pontiac at La Casa Amiga, The Hispanic Outreach Center, and Mi Escuelita.

School of Engineering and Computer Science

Carmen Etienne
Director, SECS Advising
School of Engineering and Computer Science

- Bioengineering*
- Computer Engineering
- Computer Science
- Electrical Engineering
- Engineering Chemistry*
- Engineering Physics*
- Industrial and Systems Engineering
- Information Technology
- Mechanical Engineering

*Offered through a partnership with the College of Arts and Sciences.
School of Engineering and Computer Science

Most Popular Majors:
- Electrical Engineering
- Mechanical Engineering
- Computer Science
Criteria for Admission

Pre-major Standing
Transfer students must have a cumulative GPA of 2.8 in order to be admitted to the SECS. Students with the required GPA are admitted directly into the major.

Students with a cumulative GPA of 2.5 - 2.79 are admitted as Candidates to SECS. These students will need to complete a specific number of courses and establish a specified GPA before declaring a major.

Major Standing
Students apply for major standing once they have completed both the math, science and core courses.
OU Macomb County Offerings

Mechanical Engineering, Computer Engineering, Electrical Engineering, Computer Science, and Information Technology programs offer courses at OU Macomb County sites.

Students cannot complete degree at OU Macomb County sites.

Interested students should meet with an academic adviser at least 1 year prior to enrollment at OU.
Engineering Center
Points of Pride

- The new 127,000 sq. ft. SECS Engineering Center opened this fall.
- SECS saw a 30% increase in the number of entering transfers in 2014.
- OU students succeed at MHacks national programming competition. Out of 1,000 students from across the nation competing at this year’s MHacks, 14 were from Oakland University, and Dominic Dabish, a senior computer science major, was on the team that earned the gold prize from Microsoft for their app development “Pong With Me.”
Points of Pride

• Students in the Department of Mechanical Engineering will gain access to new research tools and automotive testing equipment thanks to a $30,000 grant from the DENSO Foundation. The grant will also support our award-winning SAE Team.

• The Oakland Robotics Association (ORA) took the top prize at the 21st annual Intelligent Ground Vehicle Competition (IGVC). The team placed first overall in June, among 53 collegiate teams from across the globe, and brought the coveted Lescoe Cup home to Oakland University.
Points of Pride

• A Siemens PLC workshop for high school, community college and university instructors was hosted at OU by the Industrial and Systems Engineering (ISE) Department.

• FANUC America Corporation recently presented Oakland with a gift-in-kind donation of robots, software and 2D iRVision equipment representing an industry value of $474,398. The gift will support development of an Industrial Robotics and Automation program within OU’s Department of Electrical and Computer Engineering.
Engineering & Computer Science Day

Saturday, January 31, 2015
9 a.m. – 2:30 p.m.
Reservations encouraged at oakland.edu/visit

First Year Advising Center

Sara Webb
Director
First Year Advising Center

- First Year Advising Center opened its doors in September 2012
- Coordinates Transfer Student Orientation
- Provides academic advising for all undecided/re-deciding students
- Major and career exploration
Major and Career Exploration

MAJOR AND CAREER EXPLORATION

Selecting a major and/or a career is no easy task and often takes time to fully explore all of the options available and how they relate to your interests, personality, skills and values. Explore our tools and resources that will be instrumental in helping you decide on your best fit major and career.

If you are unable to access a PDF, please download Adobe Reader.

What will I make?
See starting and mid-career salaries for undergraduate degrees offered at Oakland University.

I'm completely undecided, where do I start?
Identify what it means to be undecided.

We are happy that you are starting the process of deciding on a major. The following information will help you get started exploring majors and careers.

Major Profiles
Explore the academic profile for your major and learn about what courses you will take, the skills you will develop and related careers.

oakland.edu/fyac/career
First Year Advising Center

An incoming undecided transfer student will have his/her first appointment with the FYAC at Orientation. Admitted students who have questions prior to Orientation may contact the office.

Lunch is Served
Bachelor of Integrative Studies

Jennifer Root
Program Coordinator & Capstone Instructor
Bachelor of Integrative Studies

Individualized degree program that offers maximum flexibility and opportunity for student decision making about course of study.

Ideal candidates include students
interested in Interdisciplinary Studies
Engaged in one or more areas of study
Pursuing advancement in current career
Desiring personal growth
Seeking prerequisites for other programs of study
Criteria for Admission

Pre-major Standing
• Meet with an adviser to discuss the program
• 2.0 cumulative GPA

Major Standing
• 2.0 cumulative GPA
• Complete an application which consists of:
  – A plan of study, featuring 28 or more credits, reviewed by a faculty member who provides advice and support moving forward
  – A questionnaire (articulation of proposed plan)
Points of Pride

• The BIS program is the most flexible option for transfer students as it utilizes all transferable credits allowed, and students can select courses based on their career interests and goals.

• It is also popular amongst those receiving Michigan Works funding, since the program can be completed in two years (or less) if a student already holds an associate’s degree, or 62 transfer credits.
