

WINTER 2013

WGS 302 #13576 / IS 300 #13753
Tuesday / Thursday 3:00 – 4:47 PM
Kathy Patterson-Hawes

Global Women

GLOBAL ISSUES

We will examine the lives of women in a global perspective viewing gender, sex, race, nationality, ethnicity, religion and sexual orientation as part of an intertwined matrix influencing life opportunities. We will focus on issues of health, war, religion, education, global economy and development.

This class satisfies the general education requirements in the global perspective knowledge exploration area.
