I. Student liaisons Samantha Wolf and Robbie Williford presented the summary of the OC Expansion survey, totaling at 4003 responses. Wolf and Williford noted that: more females responded than men; the majority of votes were from upperclassmen; more commuters responded than residents; and at least 80% of voters experienced overcrowding in the OC. Their overall result was that students wanted a bigger Oakland Center. Mr. Hanna mentioned that the students that were in favor of the raise in tuition in order to expand is progress. He stated that due to the current parking issue, a larger student union will be more accommodating. Legislator Laux asked Williford how Student Congress can educate the students that seemed to have responded negatively. Mr. Williford stated that the students need to see the misinformation so they can learn the correct information. Wolf and Williford plan to present the results to the board of trustees on February 24th.

II. Antonio Morado, student, spoke on behalf of an upcoming event named TED talks. He is looking for another co-sponsor to help with the cost of the AV setup, which was estimated at $3000. Mr. Johnson explained that he met with Antonio recently and noted that he has started this process almost a year ago. Ms. Alwardt mentioned that we would be going against our bylaws by being a co-sponsor. The bylaws state that Student Congress has to be the main sponsor. Legislator Laux stated that we should find a way to assist in this event, since it is a great opportunity to promote the university. Contact acmorad2@oakland.edu for more information. The TED talks organization will be holding a fundraiser at Olga’s on February 21st, and one at Buffalo Wild Wings on March 3rd.
