Course Title: Professionalism, Leadership, and Advocacy

Course #: EC 330  Credit Hours: 4

Catalog Description: This course will focus on current critical issues in early childhood education. Guidelines and standards will be used to focus on the legal, ethical, and professional dimensions of becoming an early childhood educator. Additionally, the course will attend to the development of leadership, administration, and management skills.

Prerequisites: Completion of EC 320

Instructor: Sandra Alber Ed.D.
Semester: TBA
Class Location: TBA
Office: 405 E Pawley Hall
Office Hours: TBA
Phone: 248-370-3080
Email: alber@oakland.edu
Fax: 248-370-4242

Course Objectives: Upon completion of the course students will be able to:

1. Know and apply legal and ethical guidelines as well as professional standards in early childhood education, including following codes of professional conduct and exhibiting knowledge and expectations of current legal directives
2. Analyze selected federal, state and local policies, standards and practices to understand the benefits and limitations of policies in promoting quality early childhood education
3. Know and use cross-cultural, cross-discipline strategies to provide resources for children and families who show typical and atypical development
4. Recognize the importance of active participation in early childhood professional organizations.
5. Know and use strategies to be life long learners and reflective practioners, using resources, literature, collaboration and appropriate data
6. Understand that reflection is an integral part of professional growth and improvement of instruction
7. Use skills to participate in collaborative communities, including professional groups from other disciplines
8. Know and respect rights of students with disabilities and understand and use various models of consultation in diverse settings
9. Demonstrate knowledge and skills to participate as an effective team member
10. Demonstrate the skills and disposition to solve problems and resolve conflicts
11. Demonstrate the knowledge of local, state and national policy issues, processes and understands their impact on young children and their families
12. Know and understand principles of administration and management of early childhood programs
13. Understand the role of evaluation in program development
14. Follows school policy and procedures respecting the boundaries of professional responsibilities, when working with students, colleagues, and families

**Academic Conduct Policy**

Students are expected to submit assignments that conform to university policies governing dishonesty and misconduct (see the “Academic Conduct Policy” in the Undergraduate Catalog). Academic Honesty: Cheating and plagiarism are considered serious at Oakland University. All allegations of academic misconduct will be reported to the Dean of Students and, thereafter, to the Academic Conduct Committee for adjudication. Anyone found guilty of cheating in this course will receive a course grade of 0.0, in addition to any penalty assigned by the Academic Conduct Committee. Please refer to the 2009-2010 Oakland University Undergraduate Catalog to read the full Academic Conduct Policy.
