COURSE CHANGES for 2015-2016

SCHOOL OF HEALTH SCIENCES

FALL 2015- WINTER 2016			
EXISTING		**NEW**	
COURSE		COURSE	Course Title
Rubric/Course		Rubric/Course	
HS 301		HS 205	Human Nutrition and Health
OSH 100		EHS 100	Intro to Environmental Health & Safety
OSH 115		EHS 115	Safety and Health at Work
OSH 141		EHS 141	Quantitative Methods for Environmental Health & Safety
OSH 225		EHS 225	Environmental Health & Safety Training Methods
OSH 235		EHS 235	Occupational Safety & Health Standards
OSH 245		EHS 245	Professional Practice & Leadership Development
OSH 331		EHS 331	Environmental Health & Safety Engineering & Technology
OSH 332		EHS 332	Environmental Health & Safety Administration & Programs
OSH 333		EHS 333	Fire Prevention & Protection
OSH 334		EHS 334	Applied Occupational Hygiene
OSH 335		EHS 335	Fundamentals of Occupational Hygiene
OSH 336		EHS 336	Applied Occupational Hygiene Lab
OSH 342		EHS 342	Advanced Quantitative Methods for EHS
OSH 351		EHS 351	Noise Control and Measurement
OSH 423		EHS 423	Radiation Safety
OSH 434		EHS 434	Ventilation & Emerging Technologies
OSH 435		EHS 435	Radiation Exposure Control
OSH 441		EHS 441	Accident/Incident Investigation & Analysis
OSH 442		EHS 442	Construction Safety
OSH 443		EHS 443	Robotic and Automation System Safety Analysis
OSH 444		EHS 444	Environmental Standards
OSH 445		EHS 445	Introduction to Ergonomics
OSH 446		EHS 446	Industrial and Environmental Toxicology
OSH 480		EHS 480	Special Topics in EHS
OSH 490		EHS 490	Directed Study & Research in EHS
OSH 499		EHS 499	Environmental Health & Safety Internship

Brand New Courses:

EHS 330: Safety and Health Administration Programs
EHS 450: Medical Geology
EHS 498: Environmental Health and Safety Research
HS 423: Research Methods in Health Sciences
HS 455: Qualitative Research Methods
HS 465: Social Determinants of Health

Registration by Class Standing	
EARNED CREDIT HOURS/CLASS STANDING	DATE(S)
Graduate students	March 23, 2015
Second undergraduate degree students	March 24, 2015
Seniors with 121 credits or more	March 24, 2015
Seniors with 91 credits or more	March 25, 2015
Juniors with 73 credits or more	March 26, 2015
Juniors with 56 credits or more	March 27, 2015
Sophomores with 42 credits or more	March 30, 2015
Sophomores with 28 credits or more	March 31, 2015
Freshmen with 16 credits or more	April 01, 2015
Freshmen with fewer than 16 credits	April 02, 2015
Special graduate, non-matriculated, post-baccalaureate, and guest students	April 3, 2015

School of Health Sciences Academic Advising
3070 Human Health Building

- Schedule your appointment by calling the office 248-370-2369
- Students are encouraged to email any quick questions to shs@oakland.edu
- Walk-in advising sessions and other advising information posted online at www.oakland.edu/shs/advising
- Visit www.oakland.edu/registrar for registration information
