

### History B.A. Major in FOUR Academic Years (2018)

This is a breakdown of how a student, knowing they wanted to be a history major upon entering OU, could complete the General Education, CAS Exploratory and major requirements within a 4-year period of time. This sample schedule is an example only and not a guarantee of course offerings.

The below sample schedule is based on ACT English of 16-27/SAT Writing 410-610 **or** AP/IB/CLEP equivalents.

**Notes:** In the freshman year students may wish to substitute HST 1300 & HST 1400 ; they will need to complete the diversity requirement with another course. Students are encouraged to earn a minor or a concentration in addition to the major. Students who wish to complete an advanced degree in history should talk with an adviser concerning foreign language competence. The term “elective” may not be completely “free” in that this table does not address the university requirements of G.E. Integration or 32 credits at the 3000/4000 level.
