SCHOLARSHIPS AND FINANCIAL AID
We know families often endure financial hardships, especially when it comes to the cost of tuition. At Oakland University, we’re doing all we can to help make an exceptional education affordable.

Today, more than half of all OU students receive financial assistance totaling more than $190 million annually. You can benefit from those funds, too — you just have to apply. Read more to learn how to support your best investment with financial assistance from OU.

If you have extenuating financial circumstances, contact OU Student Financial Services at (248) 370-2550 or email finservices@oakland.edu to discuss your circumstances.
To be considered for scholarships, Oakland University must receive your admission application, transcript and SAT or ACT score by **March 1, 2018**. If you meet this deadline, you will automatically be considered for OU scholarships. Scholarship awards are based on your academic record, including GPA and SAT or ACT score, at the time of admission. You may submit updated transcripts and/or test scores for scholarship reconsideration until the March 1 scholarship deadline. International students are not eligible for OU scholarships, except where reflected.

COMPLETE THE FAFSA

Beginning October 1 each year students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) to apply for OU, federal, and state financial assistance. You could be eligible for grants, work-study opportunities, and subsidized loans as a result of completing the FAFSA. Most applicants who apply for financial aid through the FAFSA qualify to receive at least an unsubsidized loan. You are not required to accept any loans or other forms of financial aid.

The Expected Family Contribution (EFC) is calculated when the FAFSA is completed and is used to determine your eligibility for need-based grants from OU, the Federal Department of Education, and State of Michigan.

Complete the FAFSA online at fafsa.gov beginning October 1, or shortly thereafter, prior to the school year you plan to attend. Be sure to include OU’s school code (002307) to ensure your FAFSA is sent to Oakland University.

PROTIPS

To submit your FAFSA online, you’ll need to create an FSA ID, your username and password to access and sign the FAFSA electronically. Create your FSA ID at fsaid.ed.gov at least one week prior to completing the FAFSA. Parents of dependent students will also need to create their own FSA ID.

To get help completing the FAFSA, register for a FAFSA Appointment at oakland.edu/financialaidevents. Appointments begin in October.

Use the Net Price Calculator (NPC) at oakland.edu/npc to obtain an estimate of OU’s direct charges (tuition and room and board for on-campus residents) and indirect expenses (an estimate of a student’s costs for books, off-campus housing or living at home with parents, commuting, and some living expenses). The NPC also offers an estimated financial aid package based on the GPA and SAT/ACT score of incoming freshmen.

TYPES OF FINANCIAL ASSISTANCE

SCHOLARSHIPS
Based on academic merit (high school GPA and SAT or ACT score for freshmen and college GPA for transfer students) and do not require repayment. oakland.edu/scholarships

GRANTS
Based on financial need (established by completing the FAFSA) and do not require repayment. Oakland offers several grant options. oakland.edu/financialassistance

LOANS
Subsidized loans are loans based on financial need (established by completing the FAFSA) and require repayment to begin after graduation. Interest does not accrue on the subsidized loan until repayment. Unsubsidized loans are not based on financial need and require repayment to begin after graduation; interest begins to accrue immediately upon disbursement of the loan to the student’s account. Parents of undergraduate students may be eligible for the Federal Parent PLUS loan, a credit-worthy loan used to supplement a student’s financial aid package. Interest begins to accrue immediately upon disbursement of the loan to the student’s account. oakland.edu/financialassistance

FEDERAL WORK-STUDY AND ON-CAMPUS EMPLOYMENT
Many OU students earn money with on-campus jobs. Eligibility for a Federal Work-Study award is determined by the FAFSA. However, many Oakland students work on campus even if they don’t receive a Federal Work-Study award. Job openings for students are posted online. oakland.edu/student-employment

ACADEMIC MERIT SCHOLARSHIPS FOR FRESHMEN
(Presidential Scholar Award, Distinguished Scholar Award, Talented Scholar Award, Academic Achievement Award, University Recognition Award, Geographic Region Award, Non-Resident Award)

Terms and Conditions
• Scholarship awards are based on the applicant’s grade point average and highest SAT or ACT composite score at the time of admission to the university or March 1, 2018, whichever is earlier. Updated transcripts and/or test scores may be submitted for scholarship reconsideration through March 1.

• Students do not apply for academic merit scholarships; recipients are independently chosen by the university. The university notifies students who are eligible and have been selected to receive one of the scholarships.

• Scholarships are available only to entering freshmen. “Entering freshmen” refers to students who are in college for the first time and enroll full time at OU in the first fall semester immediately following high school graduation. Students must apply to the university and submit all required materials (including transcripts and SAT or ACT scores) by March 1, 2018.

• Scholarships are for the fall, winter and summer semesters in the single academic year designated by the university, not to exceed eight semesters total. Continuous full-time enrollment in OU undergraduate credits as an undergraduate student is required each fall and winter semester.

• Scholarship recipients are required to be enrolled as full-time students at the university. Advance Placement (AP) exams, International Baccalaureate (IB) exams, the College-Level Exam Program® (CLEP), transfer credit and/or course competency examinations do not count toward the full-time credits.

• OU offers and renews scholarships at its sole and absolute discretion; offers and renewals are contingent upon the availability of funds, continuation of the scholarship program and meeting renewal criteria.

• Half of the annual award is available each semester.

• The Geographic Region Award requires living on campus for the full semester.

• The Non-Resident Award for freshmen requires living on campus for the full semester for the first two years. Students can live off campus for the third and fourth year.

Renewal Criteria
After the first year at OU, the university will renew scholarships annually, up to a maximum of six continuous fall and winter semesters, for students who meet the following criteria:

• Earn at least 28 Oakland University credits during the fall and winter semesters of their first fall and winter semesters (AP, IB, CLEP, transfer courses and repeated courses may not be counted toward the 28 credits) and 24 credits each year thereafter.

• Enroll full time at the university during both the fall and winter semesters for which they receive the award.

• Complete full-time credits each fall and winter semester, and summer if applicable, excluding repeated credits.

• Maintain a cumulative university GPA of 3.0 (except for the Non-Resident Award). Maintain a cumulative university GPA of 3.5 for the Presidential Scholar Award. Presidential Scholar Award recipients whose cumulative GPA falls between 3.0 and 3.49 will be re-awarded the Distinguished Scholar Award and must meet all renewal criteria for that award.

• Meet the requirements of the Financial Aid Satisfactory Academic Progress Policy (SAP).

• Students who enroll full-time during the summer semester can receive the award if all renewal criteria are met after the winter semester. Receipt of the award during a summer semester is applicable to the maximum allowable semesters for renewal. Students must complete full-time credits and maintain the award GPA requirements to receive the award in the upcoming fall semester.
