# Checklist for Actuarial Science Majors

The Mathematics Minor is automatic and covers the Exploratory requirement.

Other possible minors (optional): Economics, Finance, Applied statistics, Business Analytics

#ECN 2010 and 2100 apply to Social Sciences but not to Global Perspective. ECN 2020 applies to both.

\* Different options may have different prerequisites (eg, ACC 2100 for FIN 3220 but not for FIN 3550; STA 4227 for STA 4228 and STA 4330 but not for QMM 2410).
