Bachelor of Science with a major in Computer Science

Major Requirements

Oakland University Courses	Alpena Community College Courses
MTH 1554	MTH 131
MTH 1555	MTH 132
Choose **one** science elective (with lab)	(BIO 161 <u>and</u> BIO 162- both courses required)*; CHM 121; PHY 221
Choose one additional science elective (must be different from course option above)	BIO 161*; BIO 162*; CHM 121; PHY 221 accepted; PHY 222 accepted
CSI 3450	CIS 258
Choose **two** Approved Professional Elective courses (contact an OU adviser to discuss all available options)	(CIS 206 <u>or</u> MTH 221)

*Taking BIO 161 <u>and</u> 162 will satisfy the two science elective courses (including lab) requirement.

Students may transfer an unlimited amount of credit from Alpena, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, **it is highly recommended that students work with both an OU academic adviser and their Alpena academic adviser to maximize the applicability of coursework to specific requirements**.

TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):
When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Alpena or at the Alpena MTA Approved Courses website. Completing MTA when following this major guide will satisfy OU's transferable General Education requirements.

> **Additional course requirements for MTA when following this major guide**
> **(minimum 30 credit hours required for MTA):**
> ENG 111 or 121
> ENG 112 or 122 (required prerequisite for coursework at OU)
> One MTA Approved Natural Sciences course (only required if both science electives are BIO or PHY courses)
> Two MTA Approved Social Sciences courses
> Two MTA Approved Humanities or Fine Arts courses

TRANSFERRING WITHOUT MTA:
If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the Alpena General Education Transfer Guide for the Alpena courses that satisfy these specific OU General Education categories:

- Writing Foundations (ENG 112 or 122)
- Arts
- Language and Culture
- Global Perspective
- Literature
- Social Science
- U.S. Diversity

All prospective students should call the School of Engineering and Computer Science (SECS) Academic Advising Office at (248) 370-2201 to schedule an appointment. Their office can also contacted by email at secsadvising@oakland.edu, or visit their website for more information.

NOTES:

Transfer students are admitted directly to the major if they have a cumulative GPA of 2.8 or higher, if students have a GPA between 2.5 and 2.79, they are admitted as a "Candidate" to the SECS, and will need to meet established criteria to change their major.

Students apply for major standing once they have completed math, science, and core computer science courses.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

TALKING POINTS:

Learn more about OU's ABET accredited programs: (Mechanical Engineering, Computer Engineering, Electrical Engineering, Industrial & Systems Engineering, Information Technology and Computer Science).

Learn about ways to get involved in over 20 student organizations affiliated with SECS, as well as different professional organizations related to careers in engineering and computer science!

OU students also participate in competitions such as Intelligent Ground Vehicle, Formula SAE, North American International Auto Show in Detroit, GrizzHacks, and Maker Faire Detroit.

OU offers a number of scholarship opportunities to students in the School of Engineering and Computer Science to help pay for your education.

The School of Engineering and Computer Science offers a wide variety of opportunities for undergraduate research.

SECS students can work with a career consultant about your resume, job search or to practice your interviewing skills. There are also a number of networking events each month and resources available through Career Services. Employers from hundreds of companies participate in our annual Engineering and IT Career Fair in search of Oakland students to fill internship and full-time opportunities. 85% of SECS graduates from July 2019 to June 2020 completed an internship or internship-like experience.

Oakland University was designated as a National Center of Academic Excellence in Cyber Defense Education (CAECDE) in 2018.
