

GENERAL EDUCATION

Below are the two options available for satisfying Oakland University's General Education requirement. Choosing which way to go can depend on a variety of things such as; the choice of major, previously completed coursework and the timing of transfer. For details on which option may be best for your situation, please consult with an OU academic adviser.

OPTION #1: Completing OU's General Education requirement when transferring with MTA or MACRAO

In many cases it is to a student's advantage to complete the MTA agreement to fulfill OU's General Education requirement (please confirm courses to take to fulfill the agreement with your MSU academic adviser). When transferring MTA or MACRAO, you must also satisfy the Knowledge Applications category from the table below (#10).

OPTION #2: Completing OU's General Education requirement by individual category

For this option, each of the below categories must be fulfilled by completing at least one course of 3 or more credits. A course may not be used in more than one of the categories numbered 1-10.

U.S. Diversity – When a course is approved for both the U.S. Diversity requirement and one of the categories numbered 1-10, it may count toward both requirements.
