

## **Bachelor of Science in Clinical and Diagnostic Sciences**

**Clinical and Diagnostic Sciences Core Requirements** 

| Oakland University Courses | Jackson College Courses                                |
|----------------------------|--|
| BIO 1200                   | BIO 162  |
| BIO 2100, 2101 and 2600    | BIO 253 <u>and</u> 254                                 |
| CDS 2100                   | MED 120 <u>or</u> MOA 120                              |
| STA 2220                   | MAT 133, MAT 133A, <u>or</u> CIS 203 <u>or</u> PSY 144 |

<sup>\*</sup>Additional course requirements vary by specialization. Please contact an Oakland University academic adviser for additional information about the course requirements for your intended specialization.

Clinical and Diagnostic Sciences provides an experiential human-based education in biomedical, imaging, and clinical sciences, and is built upon the foundations of biology and chemistry. Please visit the <u>department website</u> or the <u>academic</u> catalog for additional information.

Specialization in Diagnostic Medical Sonography (DMS) Requirements

| operation in a sugar and in a surface of the first of the |                         |
|--|-------------------------|
| Oakland University Courses   | Jackson College Courses |
| PHY 1080   | PHY 231 accepted        |
| PHY 1090   | PHY 232 accepted        |
| WRT 1060   | ENG 132                 |

Specialization in Medical Laboratory Science (MLS) Requirements

| Oakland University Courses | Jackson College Courses |
|----------------------------|-------------------------|
| CHM 1440 and 1470          | CEM 141                 |
| CHM 1450 and 1480          | CEM 142                 |
| CHM 2340                   | CEM 241                 |
| MTH 1441*                  | MAT 141*                |
| PHY 1080                   | PHY 231 accepted        |
| PHY 1090                   | PHY 232 accepted        |
| WRT 1060                   | ENG 132                 |

<sup>\*</sup>Some clinical programs may require MAT 141; check the individual clinical programs for current requirements

Specialization in Histotechnology (HT) Requirements

| Oakland University Course | S Jackson College Courses |
|---------------------------|---------------------------|
| CHM 1440 and 1470         | CEM 141                   |
| CHM 1450 and 1480         | CEM 142                   |
| WRT 1060                  | ENG 132                   |

Specialization in Nuclear Medicine Technology (NMT) Requirements

| Oakland University Courses | Jackson College Courses       |
|----------------------------|-------------------------------|
| CHM 1440 and 1470          | CEM 141                       |
| MTH 1441                   | MAT 141                       |
| PHY 1080                   | PHY 231 accepted              |
| COM 2000                   | (COM 231, 231A <u>or</u> 234) |
| WRT 1060                   | ENG 132                       |

Please contact the School of Health Sciences Academic Advising office at 248-370-2369, email <a href="mailto:shs@oakland.edu">shs@oakland.edu</a>, or visit their website for more information regarding your major program.

## TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Jackson or at the <u>Jackson MTA Approved Courses</u> website. If you intend to complete MTA when following this major guide, take ((COM 231, 231A or 234), PHY 232, or PSY 252) or another course from OU's *Knowledge Applications* category in order to satisfy OU's transferable General Education requirements.

## TRANSFERRING WITHOUT MTA:

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please contact the School of Health Sciences Academic Advising office for the coursework that will be required for your specialization, and reference the <u>Jackson General</u> Education Transfer Guide for the Jackson courses that satisfy these specific OU General Education categories.

## **NOTES:**

Students may transfer an unlimited amount of credit from Jackson, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit how much transfer credit can be used toward requirements, it is highly recommended that students work with both an OU academic adviser and their Jackson academic adviser to maximize the applicability of coursework to specific requirements.

Students must have a minimum cumulative transfer GPA of 2.8 in order to be admitted to the Clinical Diagnostic Sciences curriculum.

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

OU's <u>ECLIPSE program</u>, a unique community-engaged leadership initiative, is one of only a few health-science specific leadership programs in the country.

The Bachelor of Science in Radiologic Technology is <u>accredited</u> by the Joint Review Committee on Education in Radiologic Technology (JRCERT).

Please visit the department website for additional information regarding <u>specialization internships</u>. Acceptance into internship programs is competitive and is based on grade point average, personal interview, and letters of recommendation. Students must submit a formal application for each program for which they seek consideration.
