Students may transfer an unlimited amount of credit from Lansing CC, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit the transfer credits that can be used toward requirements, **it is highly recommended that students work with both an OU (school/college) academic adviser and their Lansing CC counselor to maximize the applicability of coursework to specific requirements.**

### **TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):**

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Lansing CC or at the [Lansing CC MTA](#) website. To most efficiently satisfy OU's transferable General Education requirements, you are also encouraged to reference the [Lansing CC General Education Transfer Guide](#) and select the following:

- One course from OU's **Writing Foundations** category (**B/3.0 minimum** required for education majors) (*this serves as an **MTA English Composition** course and is a prerequisite for coursework at OU*)
- One course from OU's **Knowledge Applications** category

### **TRANSFERRING WITHOUT MTA:**

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [Lansing CC General Education Transfer Guide](#) for the Lansing CC courses that satisfy these specific OU General Education categories:

### **NOTES:**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

The College of Arts and Sciences requires that a minimum of 16 credits in the major be completed at Oakland University.
