Clerical-Technical Classification/Reclassification Questionnaire

Purpose

This classification/reclassification questionnaire form is designed to assist you in describing your job or position.

Instructions and Process

Please read this entire classification/reclassification questionnaire over carefully before answering any of the questions. In filling out the questionnaire, please print in ink or type if possible. Answer each question as specifically and as completely as possible. If a particular question does not apply to your job, fill in the words “none”, “no”, or “does not apply”.

When the questionnaire is completed return it to your supervisor for his/her review and completion of the last page. Your supervisor does not have authority to determine whether or not your job duties are appropriately classified. The questionnaire will then be forwarded to the Personnel Department. Compensation professional(s) in the Personnel Department will then evaluate your job duties; the Personnel Department has the sole authority to make the final decision to grant or deny your classification/reclassification request.

Your cooperation is earnestly requested.
