

*The International Studies Program presents*

Winter 2012

# China

## Triumphs and Lingering Concerns

*The Xujiahui business district of Shanghai.  
(shanghai-  
weltausstel-  
lung.de/en/hotels/images/BundPanorama)*

The last 30 years of China's achievements and tangles will be surveyed.

China's rapid rise has brought welcome changes to the world's most populous nation as well as international concerns. Join us for this special session on understanding China's recent past and the on-going challenges of the present as China assumes a major role in global affairs.

Following presentations by the speakers, listed below, questions and comments by the audience will be welcome.

**Linda Benson**

Department of History

**Alan Epstein**

Department of Political Science

*China's rapid economic growth has left  
skies and waterways heavily polluted  
(Reuters)*

Winter 2012

***Refreshments  
will be served***
