

**Agendum
Oakland University
Board of Trustees Formal Session
February 7, 2025**

**APPOINTMENT OF THE EXECUTIVE VICE PRESIDENT
FOR ACADEMIC AFFAIRS AND PROVOST
A Recommendation**

1. **Division:** President, Academic Affairs, Office of the Executive Vice President for Academic Affairs and Provost and Human Resources.
2. **Introduction:** Dr. Amy Thompson obtained her Ph.D. in Health Education and a Master of Science and Education in Public Health from the University of Toledo, and a Bachelor of Science in Community Health and Health Promotion from Central Michigan University. She has earned numerous awards and honors during her career, including serving as the President of the National Health Education Honorary Society, Eta Sigma Gamma, and President of the Society for Health Education.

Professor Thompson held tenure-track faculty positions at Mississippi State University and Kent State University prior to becoming a tenured Full Professor at the University of Toledo in 2008. Since 2018, Professor Thompson has held upper-level academic administrator positions with increasing levels of responsibility. She served as the Vice Provost for Faculty Affairs at the University of Toledo from 2018-2020, prior to becoming the Senior Vice Provost of Academic Affairs and Acting Dean of the College of Graduate Studies. In 2022, Professor Thompson became the Provost and Senior Vice President of Academic Affairs at Wright State University.

In her role as the Provost at Wright State University, with an operating budget of over \$100 million, she oversaw six colleges, a medical school, a branch campus in Celina, Ohio, the Office of Research and Sponsored Programs, University Libraries, and Counselling and Wellness Services. She has demonstrated her talent in academic leadership by leading numerous significant initiatives that resulted in increasing research funding by 18% in one year, a 30-year multi-million-dollar collaboration with Premier Health to benefit health programs, millions of dollars of scholarship funding for students, and increased government and donor funding to support programs and research facilities. During her time as Provost, new student enrollment grew by 44% as the university introduced new programs in aviation, health, and engineering. She has led initiatives to improve student success by overseeing changes to the core curriculum and launching new industry-aligned micro-credentials. By holding various administrative positions in the Provost's Office both at the University of Toledo and Wright State University, Professor Thompson has developed a deep knowledge of all aspects of academic leadership, including faculty success, student success, accreditation, financial management, and fundraising.

**Appointment of the Executive Vice President
For Academic Affairs and Provost

Page 2**

Professor Thompson's impressive administrative background matches her academic scholarship. Over a 20-year period, she has addressed issues in public health related to health equity, mental health, firearm violence prevention, and cancer survivorship. She has authored a book on gun violence and published over 50 peer-reviewed journal articles. Her research has been presented in over 100 international and national conferences. She has received over \$1.7 million in grant funding to support her scholarship and programs.

The President has consulted with all University constituencies and recommends the appointment of Dr. Amy Thompson to the position of Executive Vice President for Academic Affairs and Provost.

An Employment Agreement between Dr. Thompson and Oakland University was reviewed and approved by the Office of the Vice President for Legal Affairs and General Counsel prior to its execution, is in compliance with the law and Oakland University's policies and regulations, and conforms to the legal standards and policies of the Vice President for Legal Affairs and General Counsel. The Employment Agreement is contingent upon the approval of the Board of Trustees.

3. Previous Board Action: None.

4. Budget Implications: Funding for the Executive Vice President for Academic Affairs and Provost position is included in the General Fund Budget approved annually by the Board.

5. Educational Implications: Appointing an Executive Vice President for Academic Affairs and Provost will enrich academic and administrative leadership at Oakland University. The Executive Vice President for Academic Affairs and Provost will be the University's chief academic officer with general responsibilities for the University's academic programs, personnel, and resources. The Provost has direct oversight responsibility for the College of Arts and Sciences and the Schools of Education and Human Services, Business Administration, Engineering and Computer Science, Nursing, Health Sciences, the Oakland University William Beaumont School of Medicine, the University Libraries, and other divisional units.

6. Personnel Implications: The personnel implications are as outlined in the recommendation below.

7. **University Reviews/Approvals:** An extensive review of Dr. Thompson's professional record and accomplishments was conducted by the Executive Vice President for Academic Affairs and Provost, the President, and Oakland University's Provost Screening Committee.

8. **Recommendation:**

RESOLVED, that the Board of Trustees appoint Dr. Amy Thompson to the position of Executive Vice President for Academic Affairs and Provost, and confirm her appointment as a Professor of Public and Environmental Wellness with tenure, effective May 19, 2025, in accordance with and subject to the terms and conditions of the Employment Agreement between Dr. Amy Thompson and Oakland University.

Curriculum Vitae

SUMMARY OF EXPERIENCE

- Over 20 years of higher education experience with 10 years of progressive administrative experience.
- Demonstrated impactful and visionary leadership in academic innovation, enrollment growth, student success and fiscal accountability.
- Currently, the Provost and Senior Vice President of Academic Affairs leading the academic enterprise for Wright State University, a R2 regional comprehensive unionized university of nearly 12,000 students and an annual budget and \$300 million dollars.
- Responsible for overseeing 6 colleges, the Boonshoft School of Medicine, a branch campus in Celina Ohio, the Office of Research and Sponsored Programs, University Libraries as with a collective budget of over 100 million dollars.
- Previously served as the UToledo Senior Vice Provost of Academic Affairs and Acting Dean of the College of Graduate Studies with a student enrollment of over 14,000 students and an annual budget of 1 billion dollars where I oversaw graduate enrollment management and led multiple units with a combined budget of \$27 million dollars.
- Previously served as UToledo Vice Provost of Faculty Affairs where I was responsible for tenure, promotion, mentoring, leadership development and grievances for over 1,200 faculty in 13 colleges in unionized and nonunion departments.
- Served as UToledo Faculty Senate President where I led shared governance efforts on behalf of the faculty.
- President for the Society of Public Health Education, National Professional Health Education Organization and National President of Eta Sigma Gamma, Professional Health Education Organization. Represented thousands of public health professionals and provided leadership and fundraising efforts for the leading membership organization in my discipline.
- Founder and former Director for the Center for Health and Successful Living. This center served 7,000 community members and underrepresented minority cancer survivors while providing cutting edge interdisciplinary community engaged learning opportunities for students. Responsible for community partnership building and fundraising efforts.
- Proven excellence at the rank of full professor (Public Health) in research, teaching, and service with over 75 publications, 150 professional peer reviewed presentations and over \$1.7 million dollars in grant funding.

Education

Ph.D in Health Education, Minor in Public Administration, 2004 – The University of Toledo, Toledo, Ohio

Master of Science and Education in Public Health, 1999 – The University of Toledo, Toledo, Ohio

Bachelor of Science in Community Health & Health Promotion, Minor in Family Life and Human Sexuality, 1997 – Central Michigan University, Mount Pleasant, Michigan

Professional Experience

WRIGHT STATE UNIVERSITY, Dayton, OH

Provost and Senior Vice President of Academic Affairs, June 2022-present

Responsible for maintaining the operations of the Office of the Provost and the academic enterprise which is comprised of 6 colleges, the Boonshoft School of Medicine, Research and Sponsored Programs, University Libraries and Student Success and Retention. Wright State offers 160 undergraduate and 155 graduate degree options. Wright State is ranked in the top 6% of 20,966 universities worldwide by the Center for Worldwide University Rankings and has several highly U.S News and World Report Ranked Programs in areas such as Engineering and Business. WSU was recently ranked as the #1 Public University in Ohio for Social Mobility. I serve as a key member of the President's Cabinet working in partnership with Student Affairs, Finance, Enrollment Management, Athletics, Inclusive Excellence and Alumni Relations. I also closely work with members of the Board of Trustees on the Academic Affairs and Student Success Committee and lead the Special Committee on Health (BOT Sub Committee) for Wright State. I represent WSU on the Inter-University Council Provost's Council for all 14 Public Universities, this is our government relations/affairs organization.

Selected Accomplishments

Financial Management

- Collaborated with the Office of Finance through efficiencies and budget planning to improve our fiscal positioning resulting in significant upgrades to our credit ratings. We are the only University in Ohio with a perfect 5 score on SB6, which is a measure of financial security.
- Successful three-year AAUP contract negotiation resulting in cost savings in numerous areas
- Developed new workload policy that promoted recognition of research and service while improving efficiency
- Led the Academic Efficiency and Effectiveness Program Prioritization Process across the university resulting in the reimagining of programs and the reallocation of resources

Grants and Fundraising

- Increased research grant funding by 18% in one year, which was the equivalent of a 10 million dollar increase
- Collaborated on an enhanced affiliation 30-year multi-million-dollar agreement with Premier Health to benefit the School of Medicine and the College of Health, Education and Human Services
- Collaborated with Alumni Relations on developing new scholarship campaign
- Secured millions of dollars in grants through the Ohio Department of Education to fund student completion scholarships in the areas of STEM and behavioral health through the Strong Start to Finish and Great Minds grants
- Worked with WSU Colleges to secure state funding for new instrumentation and equipment updates through RAPIDS grants
- Secured donor funding for Mental Health Impact Study and New University Wellness Program

Enrollment and Retention

- Worked with Enrollment Management to increase new student enrollment by 44% over three years and to offer creative curriculum such as our new Aviation program, Health Sciences Program and Engineering Technology Degrees

- Created new online adult and stop-out interdisciplinary degree programs with our College of Liberal Arts
- Developed new College of Graduate Program and Honors Studies to promote graduate enrollment and student success. This yielded an increase in one year of 169 Honors students and an 8% growth in new Graduate Students
- Developed a new 5 to Finish High Impact Practice Initiative for all undergraduate programs
- Created new early decision program for the School of Medicine

Student Success and Engagement

- Implemented numerous new student success measures such as requiring midterm grades, course redesign, multi-term registration, and a university core required first year seminar
- Increased first year retention rates by 4% and decreased D, W, F grades by 4% over 2 years
- Increased Satisfactory Academic Progress in the 2023 Freshman cohort by 2%
- Created a new Center for Health Professions to recruit students and provide experiential learning
- Created University and College focused retention committees
- Developed new faculty mentoring and student success and research recognition programs
- Co-developed a new university-wide wellness and counselling structure to promote student, faculty and staff success and retention
- Worked with faculty senate to create new core curriculum, which had not been revised in over 10 years
- Launched new industry aligned micro-credentials

Student Belonging, Equity and Inclusion

- Created College Inclusion Officers
- Worked with Colleges to create Inclusive Excellence Plans
- Implemented Equity Champion Program
- Led and established Presidential Taskforce on Mental Health and Wellbeing for students, faculty and staff that provided opportunities for community partnerships, research, fundraising and collaboration with multiple units including athletics and student affairs
- Established peer mentoring program

Strategic Planning

- Led Community Impact Committee and collaborated on efforts to align WSU with Premier Health in Enhanced Affiliation Integration
- Developed Office of the Provost Strategic Plan
- Team Leader for the WSU Strategic Bridge Plan

Accreditation and Assessment

- Initiated a comprehensive Academic Efficiency and Effectiveness Process to review all curricular programs and developed college academic master plans to enhance low performing programs and create high demand curricular programs
- Successful HLC reaccreditation visit
- Launched new program and course level assessment process

THE UNIVERSITY OF TOLEDO, Toledo, OH

Senior Vice Provost of Academic Affairs & Acting Dean of the College of Graduate Studies,
August 2020-June 2022

Was responsible for maintaining the operations of the Office of the Provost and the College of Graduate Studies. Accountable for all curricular and program approval for both undergraduate and graduate programs and assessment. This represented over 250 unique degree programs. Provided supervisory oversight for multiple divisions with direct reports and corresponding budgets of nearly \$27 million. Directed academic affairs related policy development and review. Served as UToledo liaison to the Ohio Department of Education and Chancellor's Council on Graduate Studies. Responsible for creating and maintaining the academic calendar, class schedule and classroom facilities. Oversaw all department chair and associate dean meetings. Responsible for admissions and enrollment management for graduate programs. Collaborated on compiling institutional measures and data for required reports and strategic planning. Assisted 13 college deans in academic operations and faculty and student related issues.

Selected Accomplishments

Fiscal Management

- Managed over \$22 million in graduate scholarship allocations
- Responsible for an addition \$5 million in unit oversight
- Created new RFP process for determining college budget allocations
- Allocated marketing budget for all graduate programs in conjunction with Enrollment Management

Grants and Fundraising

- Worked collaboratively with Alumni Relations and Advancement on fundraising initiatives

Enrollment and Retention

- Developed and supervised the UToledo Transfer Student Center
- Developed and implemented multi-semester registration
- Established a new program to recruit back stop-out students
- Implemented SLATE for Graduate Admissions
- Created and implemented "Transfer Promise" to improve transfer student experience
- Established new re-admission process
- Led multi-disciplinary degree/certificate creation initiatives

Student Success and Engagement

- Developed graduate level student success initiatives such as a new student success center and hiring success coaches
- Co-developed a new university-wide wellness structure to promote student success and retention

Student Belonging, Equity and Inclusion

- Led the development of the Graduate College Inclusive Excellence Plan
- Hosted numerous graduate programs for students to acclimate to graduate school
- Developed new graduate student orientation
- Co-Led Presidential Taskforce on Mental Health.

Strategic Planning

- Ex-Officio on College of Graduate Studies Restructuring Task Force

Accreditation and Assessment

- Collaborated on institutional effectiveness strategies and assessment
- Led Higher Learning Commission (HLC) Criterion Team and served on the Administrative Steering Committee
- Conducted program evaluation and strategic planning for our UToledo Online enterprise
- Served on senior leadership HLC Team for site visit
- Established new college assessment process

Pandemic Preparedness

- Led the State of Ohio Public Universities and UToledo COVID-19 Presidential Appointed Pandemic Operations Team

THE UNIVERSITY OF TOLEDO, Toledo, OH

Vice Provost of Faculty Affairs/Associate Provost of Faculty Affairs, August 2018- August 2020

Responsible for faculty affairs and large-scale faculty and staff development programs as well as tenure and promotion evaluation of all faculty.

Selected Accomplishments

- Managed faculty affairs across the university.
- Co-led new university-wide tenure and promotion reporting system implementation
- Managed all college documents and policies
- Collaborated with Faculty Labor Relations on faculty grievances
- Created new faculty development programming in enhancing research, mentorship, leadership and career success for over 1,200 faculty
- Created and managed direct reports for the new Pre-Health Advising Center
- Led faculty retention and diversity initiatives
- Established a new university wide course evaluation and platform

THE UNIVERSITY OF TOLEDO, Toledo, OH

Professor of Public Health with Tenure/Faculty Senate President/ Provost Faculty Fellow/Center Director/Doctoral Program Coordinator, August 2008- August 2018

Fully promoted from assistant to full professor (2013). Coordinated and directed a nationally ranked Public Health Ph. D Program for four years. Mentored and guided students and promoted interdisciplinary research and collaboration among faculty. Developed curriculum/programs and instructed various levels of courses. Directed staff and managed budgets for grants, the Center for Health and Successful Living and the UToledo Faculty Senate Office. Conducted in-depth strategic planning for the Office of Research and Sponsored Programs. Developed and implemented various community engagement functions, including fundraising projects, community advisory boards, and graduate assistantships to collaboratively support the community and the university. Facilitated recruiting programs to obtain and maintain top-level students and faculty for graduate programs. Assisted in student success initiatives.

Selected Accomplishments

- Founded and directed innovative interdisciplinary chronic disease center for underrepresented minority women, providing comprehensive student and faculty engagement, learning, and community support. This center served over 7,000 community members
- Program director for nationally ranked Ph.D. Program
- Served on the Athletics Committee for multiple years
- Received prestigious University Student Impact Award

KENT STATE UNIVERSITY, Kent, OH

Assistant Professor Tenure Track, August 2005 to August 2008

Administered student assessments, evaluated accreditation requirements and overall academic performance to adjust course curriculum and syllabi. Instructed multiple courses, including health education, freshmen orientation, communication, and doctoral seminars. Provided detailed assistance to graduate students, advising and supporting with class schedules, theses, dissertations and program completion.

Selected Accomplishment

- Spearheaded development of new distance learning courses, implementing within program to help increase student enrollment.

MISSISSIPPI STATE UNIVERSITY, Starkville, MS

Assistant Professor Tenure Track, August 2003 to August 2005

Taught multiple health and disease prevention courses to a diverse population of higher education students. Designed innovative health promotion techniques, incorporating into administrative promotion programs for use throughout the university. Developed and facilitated comprehensive training for teachers, including ATOD prevention programs course. Led undergraduate health program, coordinating all courses, developing all curriculum, and facilitating course additions.

Selected Accomplishment

- Chaired multiple departmental and university committees, providing valuable input to programs, including distance learning program.

DR. AMY THOMPSON

Dr. Amy Thompson serves as the Provost and Senior Vice President of Academic Affairs at Wright State University, where she oversees six colleges and various units including the Boonshoft School of Medicine, Lake Campus in Celina, Research and Sponsored Programs, University Libraries, and Counseling and Wellness Services. Prior to joining Wright State University, she held positions at The University of Toledo, including Senior Vice Provost of Academic Affairs, Acting Dean of the College of Graduate Studies, and Vice Provost of Faculty Affairs.

In her role as Provost, Dr. Thompson has spearheaded significant initiatives aimed at enhancing student success, such as establishing a new College of Graduate Programs and Honors Studies, launching a Center for Health Professions, implementing required midterm grades, and introducing a multiterm registration process. These efforts have contributed to improved academic performance and retention rates. She has also worked to modernize academic and curricular programs and to integrate a new workload recognition policy.

Dr. Thompson is a Certified Health Education Specialist and a Fellow of Eta Sigma Gamma, the National Health Education Honorary Organization. She co-founded and directed the UToledo Center for Health and Successful Living—an interdisciplinary community engagement hub that has delivered prevention-based programming and mammography services to over 7,000 individuals in Northwest Ohio.

In recognition of her outreach efforts with underserved cancer survivors, she received the Dorothy Green Medical Mutual of Ohio Achievement Award in 2019. Additionally, Dr. Thompson leads the Wright State and Community Partners Mental Health Task Force.

As a prominent figure in her field, Dr. Thompson has held leadership positions, including national president of the Eta Sigma Gamma Professional Health Organization and the Society for Public Health Education (SOPHE). She is also a Professor of Public Health in the Boonshoft School of Medicine, having published over 80 peer-reviewed journal articles and secured more than \$1.7 million in grant funding while sharing her scholarship at national and international forums.

Dr. Thompson's educational background includes a B.S. in Public Health from Central Michigan University, an M.S.Ed. in Public Health, and a Ph.D. in Health Education from The University of Toledo. Her career prior to Wright State includes 14 years at The University of Toledo and teaching positions at Mississippi State University and Kent State University.
