Students may transfer an unlimited amount of credit from Lake Michigan, and must complete a minimum of 45 credit hours from OU to meet degree requirements. As programs may limit the transfer credits that can be used toward requirements, **it is highly recommended that students work with both an OU (school/college) academic adviser and their Lake Michigan counselor to maximize the applicability of coursework to specific requirements.**

### **TRANSFERRING WITH THE MICHIGAN TRANSFER AGREEMENT (MTA):**

When choosing to complete MTA to satisfy General Education, please confirm the best courses to take to fulfill the agreement with your academic adviser at Lake Michigan or at the [Lake Michigan MTA](#) website. In order to completely satisfy OU's transferable General Education requirements when following this major guide, please reference the [Lake Michigan General Education Transfer Guide](#) and select one course from OU's **Knowledge Applications** category.

### **Additional course requirements for MTA when following this major guide (minimum 30 credit hours required for MTA):**

MTA Approved English Composition Course - ENGL 101  
MTA Approved English Composition Course - ENGL 102 (this is a prerequisite for coursework at OU)  
One MTA Approved Social Science Course  
Two MTA Approved Humanities/Fine Arts Courses  
Two MTA Approved Natural Science Courses  
One MTA Approved Mathematics Course

### **TRANSFERRING WITHOUT MTA:**

If you intend to transfer without MTA, you can choose to complete additional coursework to fulfill OU's individual General Education categories instead. When following this major guide, please reference the [Lake Michigan General Education Transfer Guide](#) for the Lake Michigan courses that satisfy these specific OU General Education categories:

- Writing Foundations
- Formal Reasoning
- Arts
- Language and Culture
- Global Perspective
- Literature
- Natural Science and Technology
- Knowledge Applications
- U.S. Diversity
- Western Civilization

### **EXPLORATORY REQUIREMENT:**

Students with majors in the College of Arts and Sciences (CAS) must satisfy an exploratory requirement. This can be done by completing a double major or a CAS minor or concentration; or by completing a minimum of 12 credits in a single CAS rubric, outside of their major rubric. For additional options visit [oakland.edu/exploratory](http://oakland.edu/exploratory). Please confirm transfer course choices with an OU CAS adviser. ***Students using MTA or MACRAO must complete the exploratory requirement at Oakland University or another four-year institution.***

**NOTES:**

Oakland University will always honor the **MACRAO transfer agreement** and apply it to the General Education requirement the same as MTA.

The College of Arts and Sciences requires that a minimum of 16 credits in the major be completed at Oakland University.

Please contact [College of Arts and Sciences Advising](#) at (248) 370-4567 for more information regarding your degree requirements.

**Coursework more than 10 years old is not automatically accepted toward the PSY major (consult an OU Academic Adviser for more details).**
